Autumn Crafting *news*

HELPING YOU PRESERVE YOUR MEMORIES WITH QUALITY
TOOLS, SUPPLIES, WORKSHOPS, ENCOURAGEMENT, AND
SUPPORT!

Hi, Crafters!

Can you believe it? It's mid-September already! And Paper & Cloth Memories has been busy organizing workshops, scheduling time with various vendor fairs, making quilts, scrapbooking, and brainstorming new ways to promote what our little store offers.

Upcoming activities are listed on page 2. Make sure to register ahead of time to ensure your spot. For the vendor fairs, come on by and see us!

Aside from our standard quilting, scrapbooking, and crafting supplies, we offer three "lines" of products:

Warm Hugs from Sharon include gorgeous lap blankets, adorable baby quilts, handy baby burp towels, super cute, quilted doll blankets, mug rugs, and tissue holders. Custom versions can also be ordered. Every item is lovingly made to act as a warm hug from Grandma!

Brenda's SASS offers beautiful handmade cards, junk journals, photo albums, and ephemera. Custom versions can also be ordered. Remember a little SASS (sweet and simple sentiments) from Brenda can help preserve those special moments in life!

Crafter's Bargain Bliss offers crafters a way to fit their hobby into a limited budget. We now carry many new and nearly new crafting supplies at prices to fit most budgets. Supplies are limited on many items and offerings can change so check in regularly.

Did you know Paper & Cloth Memories carries more than quilting and scrapbooking supplies? Here's what you can find in our little store:
